## **National British Science Week** **2024**

**This week we have been celebrating National British Science Week 2024. We have been lucky enough to be visited by several local industries including: Trans Pennine Express, Manchester University, and different construction companies; Lovell, Jacobs and Ridge. They shared with the children their passion for science and how learning about it in school, helped them do the job they have today. Ask your child about their class visitor and if it has inspired them to choose a career in science?**

# Amazing Attendance & Perfect Punctuality

Well done to all the children who are continuing to make it in to school on time. We are still seeing a high number of children turning up late for school. We understand that this can happen on occasion but it does have an impact when it is regular.

Lateness = Lost learning (Figures are calculated over the year)	
5 minutes late each day	3 days lost
10 minutes late each day	6.5 days lost
15 minutes late each day	10 days lost
20 minutes late each day	13 days lost
30 minutes late each day	19 days lost

Last week's whole school attendance was 93.6%. Our whole school attendance for this week has risen to 93.8%. Our whole school attendance to date has stayed at 92.8%. Let's work together to improve our whole school attendance, let's get closer to meeting our attendance goal of 96%. Reminder that if a class receives 100% attendance for the whole week, they receive a special treat. One of our classes were very close to achieving this this week.

The winners of our attendance mascots are:- RP, 2V 4P  
The winners of the punctuality mascots are:- RV, 2V, 5V

**GOLDEN BALLOONS** are presented to classes with everybody in school and on time.  
Well done to RP, 1P, 2V and 4P
