Headteacher: Ms S Navin

Friday Flyer

Friday 23rd October 2020

A Fond Farewell to Mrs Henry

After 33 years of service in education, Mrs Henry our business manager retires at the end of today. She has been the driving force behind the office team for many years helping Ms Navin and the other headteachers before her run the school financially and administratively. Now it is time for her to put her feet up and relax. She will be missed by staff, parents and children alike and I am sure that you will join us in saying all the very best to Mrs Henry.

Training Days

School closes today for half term and remains closed on Monday 2nd November and Tuesday 3rd November for staff training days. **We look forward to seeing your children again on Wednesday 4th November** at their current start time. Stay safe over the half term holidays and follow the government guidance on social distancing. We want to avoid another lockdown and must all play our part in keeping each other safe and reducing the spread of COVID-19

Autumn Term Diary Dates

Friday 23rd October - School closes for half term

Wednesday 4th November - School Reopens for Autumn 2

Holland Street Car Park Gates Locked

You have been made aware via smartphone messages and emails that the gates of the staff and delivery car park on Holland Street will be locked daily from 8.30am and 2.45pm. This is to make sure that parents/carers and children enter school via the pedestrian gate and do not cross the car park and avoid accidents and injuries. The car park is not for parents/carers but those who choose to park, before the stated times, will be locked in for 45 minutes. Please be patient and support us in this matter. Our motivation is to keep children and adults safe.

Thank you

Social Distancing

To keep our children, staff and community safe, we ask that you please abide by the government guidelines.

HANDS
FACE
SPACE

Parents and carers can help by doing the following:

HANDS - Encourage regular hand washing and sanitising at home and by using the hand sanitiser near the office when entering the school building.

FACE - Parents/carers to wear a face mask each time they enter the school building.

SPACE - Observing social distancing measures (2m apart) when waiting for the class to open and when waiting to enter school.

**We must
keep on protecting
each other.**

Homework Books

Today your children will bring home a large green book. This is their new homework book to be used for any homework either set each week in school or set by the teacher if your child is working from home because of COVID related isolation. We do not want your child to bring this book back to school. It must be kept at home and any work your child does can be photographed and uploaded onto the class homework page. Today the older children were shown how to do this and teachers of younger children will load up instructions to the class page after half term. Passwords for all the learning platforms that your child can access in case of a class closure can be found inside the front cover of the book.

REMEMBER - your child must keep this book at home.
