Reminders

Firstly, we would like to say thank you to the EYFS parents who handled the change in the morning routine this week with patience and understanding. Thank you also to all the parents who have been wearing face coverings when on the school grounds.

School Photos

Tempest photography will be coming to school on Tuesday 17th November to photograph each child individually. Usually on this day sibling pictures are taken but due to the current situation it is not safe to mix classes within school at this time. Tempest Photography will arrange to come back at a later date to do sibling pictures. We will keep you informed as to when this will be when we know more ourselves. Any classes/individuals that are isolating will also be taken at a later date.

Parents Evening

Parents evening will be held on Tuesday 24th and Wednesday 25th November this year. Due to Covid, this will be in the form of telephone calls. All parents have been notified and will need to book a slot on School Spider. This needs to be done by Monday 23rd November at 12pm. If you need any help with this please contact the school office.

Communication with staff

We know that not being able to see staff face to face is challenging for parents/carers in a primary school but we trust that you understand why we are doing this and know that you will support us as much as you can. Therefore please remember:

- only enter the school building if it is absolutely essential and remember to bring a face covering when you come
- if you have a quick question - phone the office rather than come in
- phone to order uniform and pay dinner money - we can take your card payment over the phone
- phone the school office to book a phone meeting with your child's teacher if you need to speak to him/her or use the class email to contact them - go to the website and press the COVID button on the right hand side of the button bar at the top of the page for information about emailing the teacher
