

Celebrating Afro Hair

Harrison

Afro Hair

Afro hair is a type of hair inherited by black people and has lots of different styles. It is very important and natural.

Braids

- Braids are a type of hairstyle that people with Afro hair use because it helps keep your hair healthy.

Locs

**Locs are good for Afro hair
because it helps grow the
hair without it falling out**

Twists

Hair twists are a hairstyle popular with Afro-textured hair around the world and have different styles like mini twists.

Box Braids

Box braids are like regular braids but instead of just going down they have box shapes inside of them

Crochet Hair

Crochet hair is used create length or simply protect your natural hair. It is also inherited by black people.

**I hope you learned
something new about
afro hair!**
