### Online Safeguarding Alert - TikTok

It has come to our attention that there is a new craze where children dare each other to make videos and upload them to TikTok. Children are encouraged to record these videos in or out of school and then to carry out more and more extreme and sometimes unlawful actions.

An e-mail is being sent to all parents today with more information and advice on this issue. Please look out for it and read it. It is really important that you talk to your children about this in order to keep them safe whilst online and using technology.

If mobile phones have to be brought to school please remind your child to hand it in at the office.

Thank You

### Important Reminders

#### Covid

If your child has a new continuous cough, a temperature or a loss of taste or smell then you **must** book your child a COVID test. The whole of your household then needs to isolate until the results come back. It is important that we continue to do this so that we can avoid having to close bubbles.

A lateral flow test is not to be used if your child is displaying symptoms.

When you receive your result, please e-mail it to

[admin@parkview.manchester.sch.uk](mailto:admin@parkview.manchester.sch.uk)

#### Fruit in EYFS and KS1

If your child is in EYFS or KS1 please make sure that you are cutting up all small fruit such as grapes. These need to be cut lengthways. Grapes are a choke hazard in younger children.
