### ATTENDANCE MONITORING

We have just carried out our first full register check of this school year. We have a fantastic 250+ children in the GOLD band with 100% attendance! Well done to all of those children. Their parents/carers will receive a text to congratulate them. We also have a high number of children in our GREEN band with 96%+ ! Again those parents/carers will receive a text to say well done.

We have a few children in our AMBER band which is below 96% and a few in our RED band which is below 90%. Parents/carers of children in these bands will receive a text and letter to highlight their child's attendance. Those in RED will receive information stating that they may be invited in for a meeting with a member of our safeguarding /attendance team. This will be the case for those children who were persistently absent last year. As we have not been in school for many weeks, even a couple of days of absence will put your child into the RED band. If this is the case for your child, ensuring that they attend every day between now and the October break will put them into AMBER or even to GREEN.

We are pleased with the efforts of the children and parents/carers to support our BIG PUSH on ATTENDANCE!

Please remember that if your child's attendance falls below 90% then he/she is considered to be a 'persistent absentee' by the Department for Education.

## Attendance
