Multi-Sport Stars: Our Multi-Sport Stars after-school clubs are for kids that truly love sport- we have everything! The Children will participate in one or two sports each week, and with so many sports on offer, it's the variety at our Multi-Sport after-school clubs that make them such a hit.

Park View Community Academy Updates

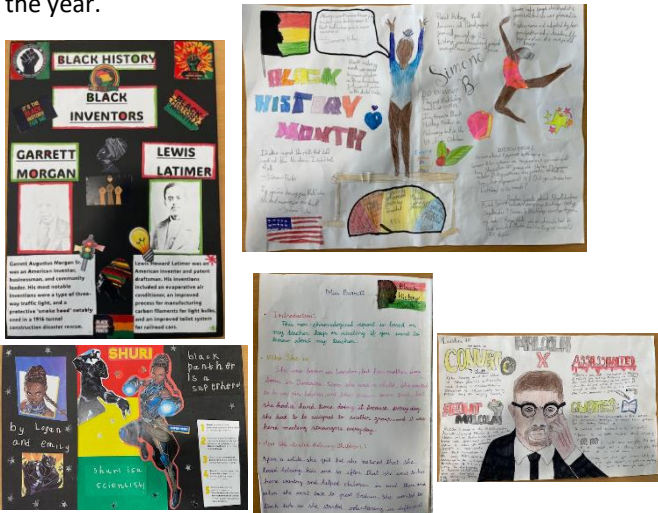

We would like to make sure we keep you updated with any changes that are being made.

Black History Month Project

This month we set a Black History Month Project for our children and families. We had an overwhelming amount of projects handed in. The work we have seen has been brilliant, our children clearly very creative and love to show off their knowledge!

We had over 100 entries brought into school this week and today all of the children who completed their projects were presented with a certificate of congratulations.

Here are a few of the projects we received and we look forward to having more of these home projects throughout the year.
