## Y5 Trip

Year 2 children enjoyed their trip to The Quarry Bank Mill last week. This was an enjoyable trip where the children learned about the industrial revolution and the relevance of Manchester in the industrial revolution during Victorian times.

## Parents' Evening

As you know we held autumn term Parents' Evenings this week. Thank you to all the parents/carers who attended. We hope that you enjoyed our Community Fair in the hall and that you had the opportunity to talk to representatives from the community groups who were there.

All who completed our two parent/carer questionnaires were entered into a raffle. There were two prizes for each. The winners of the parent voice questionnaire raffle were Kingsley and Phoebe Gr. They will each be taking home a lovely hamper of goodies for the family to share.

The winners of the parental involvement questionnaire were Daniel/Nathan G and Christopher. Both families now have a family game each to play together. We hope that you have fun playing with family members over the half term holiday. We will analyse the surveys over the half-term break and share outcomes with you as soon as possible.

## EYFS Open Evening

On Thursday 1st November we will be holding our Foundation Open Evening for Nursery or Reception children starting in September 2019. If you would like to attend doors will open from 3:30pm till 6:00pm.

## Packed Lunches

Parents/carers are free to choose to send in a packed lunch for their children. However, in the interest of promoting the health and well-being of your children, we do not allow children to bring in chocolate bars. Please choose a healthy alternative and save chocolate/sweets for a treat at home.

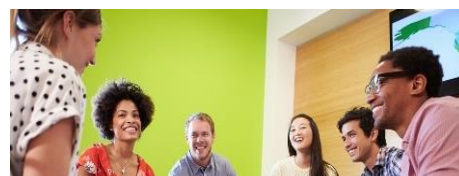

## Parental Conduct

We would like to say thank you to all the parents and Carers who are always polite and positive when speaking to school staff. However, we do have a small number of parents/carers or other family members who have recently spoken aggressively or abusively to staff members and this is not acceptable.

Following a recent incident that occurred just outside our school gate in sight of children and other parents, we have sought legal advice regarding the school's responsibilities and rights in such matters. Legal advice will be shared after half term outlining what actions school can take when incidents occur near to the premises where members of the school community are present.

Parents/carers or family members who are aggressive in their manner to any staff member risk being banned from school premises.

## School Meals

Many of you who attended Parents' Evening went to talk to the staff at the Manchester Fayre stall. Manchester Fayre provide our school meals service and the staff shared the current menu, information about healthy eating and a chance to see the food choices that are on offer in school. We are in the process of repairing the broken link on the school website that connects to the Manchester Fayre site. Go to the school meals section of the school website and to find the link. In the meantime you will find a copy of the menu on the back of this flyer.
