Friday 18th October 2019

Nasal Flu Vaccination

The Flu Vaccination will be held on Wednesday 20th November for Reception to Year 6. If you have not yet returned your consent form, please do so as soon as possible.

The nasal spray flu vaccine is used to help prevent seasonal flu (influenza) in children aged 2 to 17 years. It provides better protection against flu than the flu jab in children this age.

Flu can be a very unpleasant illness for children, giving them a very poorly week in bed. It can also potentially lead to serious complications such as pneumonia, bronchitis or ear infections. When children are given the vaccine it not only protects them from flu, but also helps to reduce the spread of flu and thus protect many others, such as babies, grandparents, pregnant women and other people who run an increased risk of serious complications such as pneumonia if they catch the flu.

The winners of the punctuality mascots are:-
RV, 2P, 5P
Well done everybody!!

 = At or above our school target

Parents Evening

Thank you to all those parents who attended our Parents Evening meetings this week. It was wonderful to be able to share how well all of your children are doing.

If for any reason you could not attend, please speak to your class teacher about arranging another time to meet.

Active Families

We have been overwhelmed by responses for the Active Families club due to start after half term. Names will be drawn at random for the Autumn Term sessions. Everyone else will go on the waiting list for Spring and Summer.

A letter will be sent out this week to inform you of whether you have a place or not.

Football News

Last week some of our year 3 and 4 boys and girls went along to a football tournament run by Manchester United. They played against other schools and were all excellent role models and great representatives for the school. There will be another one in December. Well done to all of you!
