Uniform

Recently we have been talking to the children about the importance of school uniform and are really pleased to say that the few children who were not in full uniform are now wearing it with pride! Developing good habits in primary school will help your child to cope in high school and beyond into the world of further education and work. We talk frequently to the children about how wearing our uniform shows that they belong to the Park View family and how they may need to wear a uniform at work when they grow up, for example as a nurse, doctor, police officer, fire fighter, cash till operator, football coach etc. With this in mind we ask parents to support us in coming to school wearing daytime clothes. If you come to school to drop off your child in pyjamas this sends the wrong message to your child. Please help us in this matter so that we can focus on what is important at school: teaching and learning. We thank you in advance for your support and cooperation in this matter.
