Health and Safety Notices

Please remember that dogs (even little ones) are NOT allowed on school premises.

If you come on your bike to collect your child, please dismount the bike at the gate and push it through the playground. We ask children to do this for safety reasons and would like adults to set a good example to all children.

We do not want children to play on the climbing net in the KS1 playground at the beginning or the end of the school day. However, as staff are too busy with children inside school to monitor this, we ask parents/carers to discourage their children from climbing. If children fall from the climbing net and injure themselves before or after the school bell rings, school will not accept any responsibility for this.

Card Payments

Please be aware that the School Office are now able to take card payments over the phone for dinner money, trip payments and uniform. We hope that you find this service helpful.

EYFS Please

Please could we have some paper cups and bottles tops in Early Years. Thank You
