

# Park View Community School

Varley Street, Miles Platting, Manchester, M40 7EJ  
Tel: (0161) 519 8562

Headteacher: Ms S Navin

## Friday Flyer

Friday 2<sup>nd</sup> October 2020

### Astro Pitch After School

Many of you are aware that the school astroturf pitch is open after school each evening and weekends for community use. This means that adults and children who do not belong to the Park View school community can use it. The majority of people are respectful and take their litter home and do not climb on fences or the containers. However, we have noticed on our CCTV that a number of individuals have been climbing on top of the containers and throwing things into the gardens of the recently built houses at the back of the school.

Not only is this unfair to our new neighbours but very unsafe. We do not want anyone to fall and injure themselves therefore we are putting anti-climb paint and signs on the containers to prevent injury.

If your children or their friends use the astroturf pitch after school, please tell them that the paint will soon be applied and to keep away from the containers for their own safety.

Thank you

### Autumn Term Diary Dates

Friday 23<sup>rd</sup> October - School closes for half term

Wednesday 4<sup>th</sup> November - School Reopens for Autumn 2

### Covid Symptoms

The cold and flu season is upon us and we understand that you may be concerned about your child if he/she develops a cough or a runny nose. The NHS have recently issued guidance that says if your child has a runny nose or is sneezing, these are not symptoms of COVID and therefore there is no need to get a test. If your child develops a fever or a new continuous cough or experiences loss of taste or smell, then do not send your child to school and book a test.

*Dream. Believe. Work hard. Achieve!*

## Social Distancing

To keep our children, staff and community safe, we ask that you please abide by the government guidelines.

HANDS  
FACE  
SPACE

Parents and carers can help by doing the following:

**HANDS** - Encourage regular hand washing and sanitising at home and by using the hand sanitiser near the office when entering the school building.

**FACE** - Parents/carers to wear a face mask each time they enter the school building.

**SPACE** - Observing social distancing measures (2m apart) when waiting for the class to open and when waiting to enter school.

**We must  
keep on protecting  
each other.**

## Communication with staff

We know that not being able to see staff face to face is challenging for parents/carers in a primary school but we trust that you understand why we are doing this and know that you will support us as much as you can. Therefore please remember:

- only enter the school building if it is absolutely essential and remember to bring a face covering when you come
- if you have a quick question - phone the office rather than come in
- phone to order uniform and pay dinner money - we can take your card payment over the phone
- phone the school office to book a phone meeting with your child's teacher if you need to speak to him/her or use the class email to contact them - go to the website and press the COVID button on the right hand side of the button bar at the top of the page for information about emailing the teacher

We are working hard to organise a remote Parents' Evening system and we will send you more details about this after the October half term.
