

Park View Community School

Varley Street, Miles Platting, Manchester, M40 7EJ
Tel: (0161) 519 8562

Headteacher: Ms S Navin

Friday Flyer

Friday 16th October 2020

Reminders

Firstly, we would like to thank all of our families for their patience and understanding with our new routines and systems.

Reading Books

This is to remind you that reading books are to be brought back into school on Thursdays each week and your child will get a replacement book the following Monday. The gap between the return day and new book day is because we must ensure enough time to ensure that the books are safe to go back out to children the following week.

Flu Immunisation

If you want your child to have a free nasal flu immunisation on Monday 19th October, please complete the online electronic consent form that was sent to you by email. Your child will only be immunised if you complete this form.

Social Distancing

To prevent the spread of COVID-19 infection, we rely on parents and carers to observe social distancing rules when near to or on school premises. Please keep 2m away from other adults when waiting at drop off and pick up times. If you have children in nursery or reception classes this applies to when you bring your children to the classroom doors.

Autumn Term Diary Dates

Monday 19th October - Flu Immunisations in school

Friday 23rd October - School closes for half term

Wednesday 4th November - School Reopens for Autumn 2

Data Collection and Permission Forms

Please can you make sure that you bring back any Data Collection Forms or Permission Booklets, if you have not done so already.

Class Blogs

Please check your child's class blog regularly. There are lots of great things going on in school and the teachers are busy putting pictures up for you to see.

Dream. Believe. Work hard. Achieve!

Social Distancing

To keep our children, staff and community safe, we ask that you please abide by the government guidelines.

HANDS

FACE

SPACE

Parents and carers can help by doing the following:

HANDS - Encourage regular hand washing and sanitising at home and by using the hand sanitiser near the office when entering the school building.

FACE - Parents/carers to wear a face mask each time they enter the school building.

SPACE - Observing social distancing measures (2m apart) when waiting for the class to open and when waiting to enter school.

**We must
keep on protecting
each other.**

Communication with staff

We know that not being able to see staff face to face is challenging for parents/carers in a primary school but we trust that you understand why we are doing this and know that you will support us as much as you can. Therefore please remember:

- only enter the school building if it is absolutely essential and remember to bring a face covering when you come
- if you have a quick question - phone the office rather than come in
- phone to order uniform and pay dinner money - we can take your card payment over the phone
- phone the school office to book a phone meeting with your child's teacher if you need to speak to him/her or use the class email to contact them - go to the website and press the COVID button on the right hand side of the button bar at the top of the page for information about emailing the teacher

We are working hard to organise a remote Parents' Evening system and we will send you more details about this after the October half term.
