## Styles for Afro hair

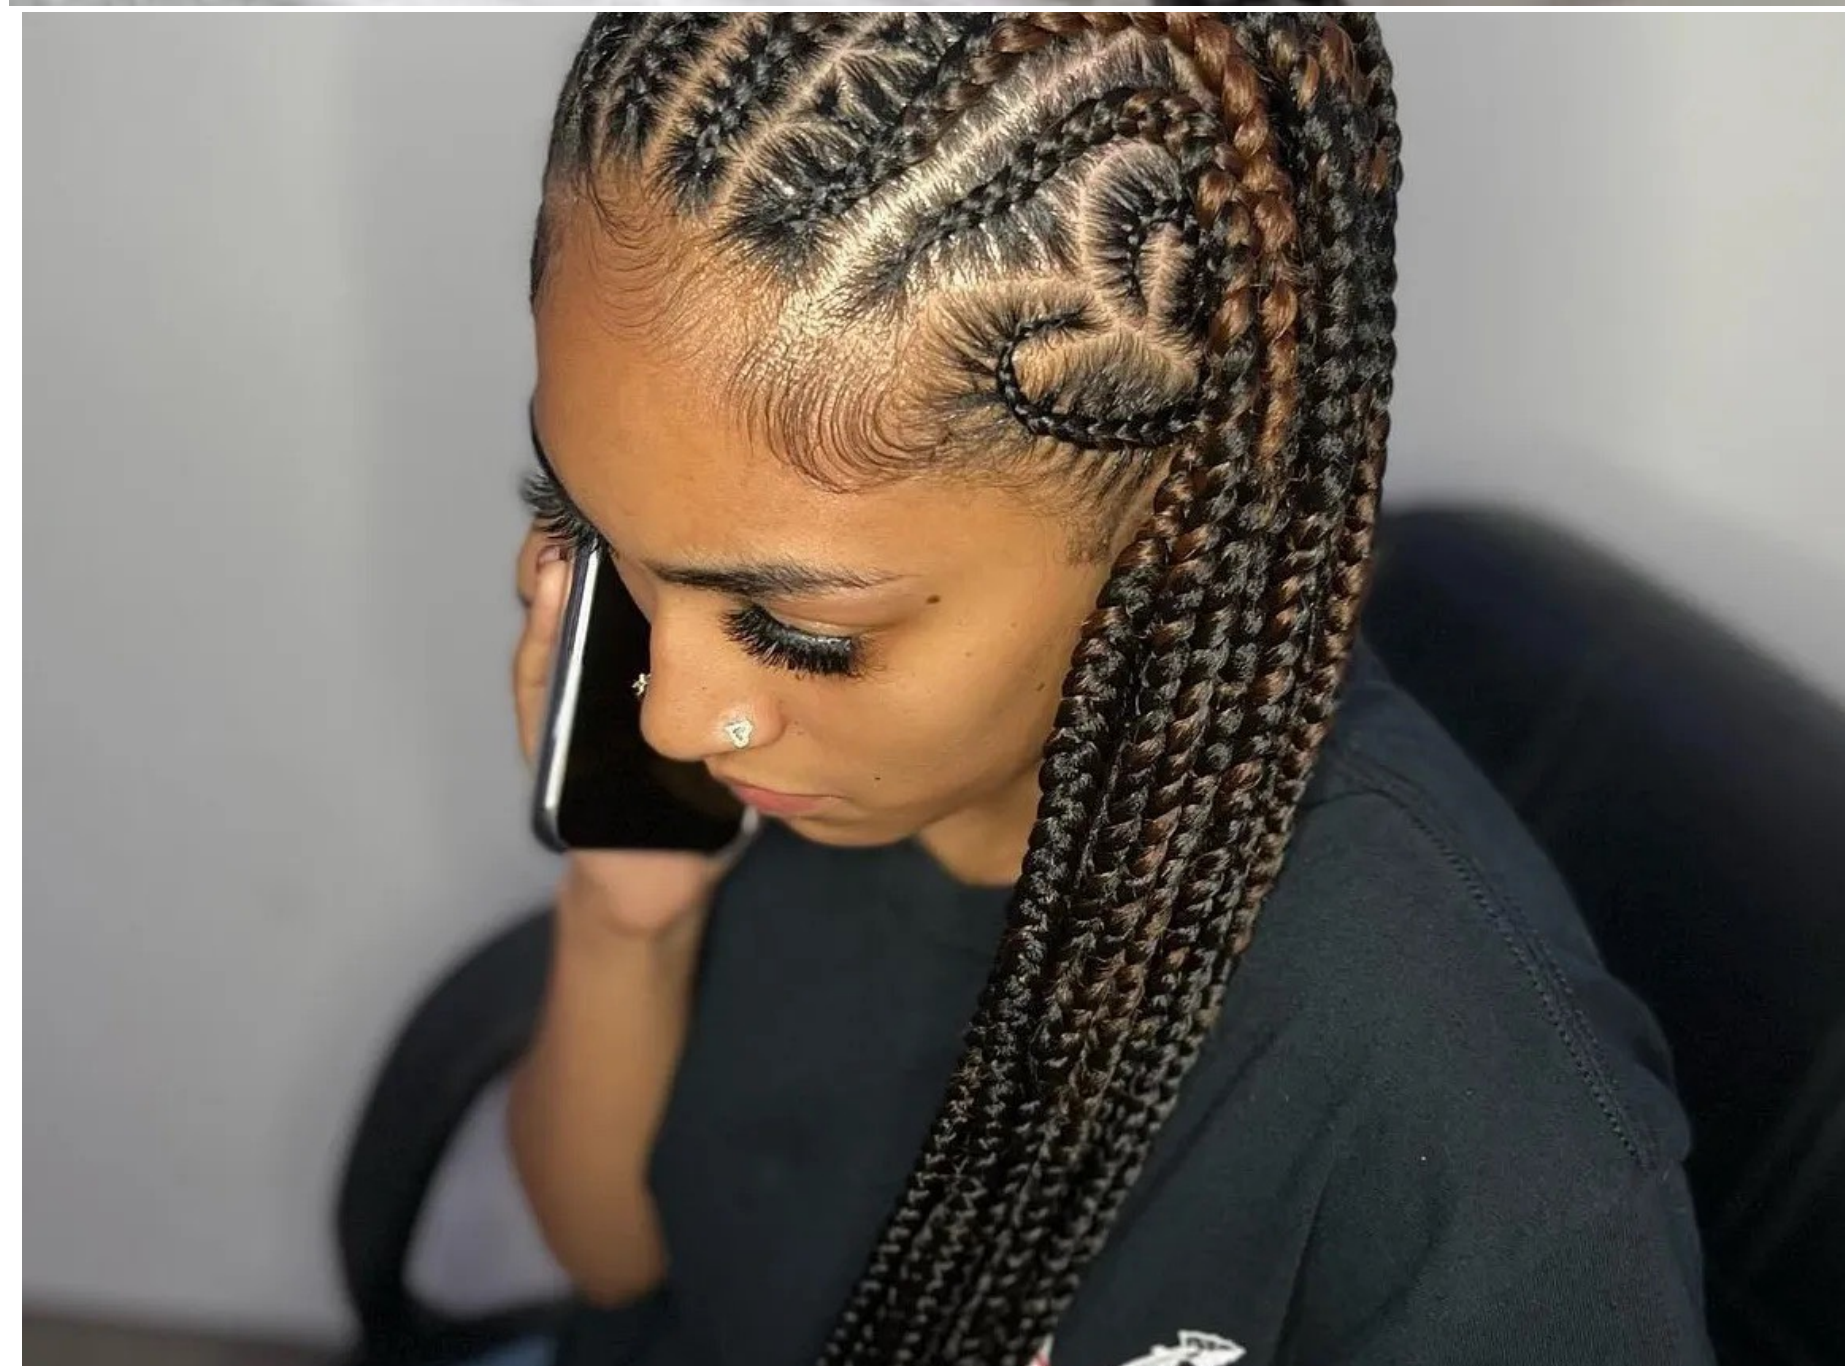

**Braids!!**  
**Braids are a very common style for Afro hair. They can be in any type of style . But braids aren't in all types of hairstyles!!**  
**But they are very nice to have**

# Heart Braids

# Heart braids

- Heart braids are a really nice hair style with Afro Hair.
- It can be on the side, back or from the top of your head.
- For example-

- They have other braids around it as well . They look really nice don't they!!:)

# *locks*

- Locks are also a really nice style.
- **Men and women can have locks.**
- *They can be short or long both are really nice*
- *If you are wondering what locks are here are some pictures for you-*

# Plaits

**Plaits start from the top of ur head all the way down. In this picture you may not see it but look at these below!!!**

# French curls

- French curls is a really nice hair style with Afro hair.
- It starts off with braids then near the bottom of the hair they curl it .
- Here are some pictures for you to see if u don't know what it looks like already!!!
- But they still get bullied for having Afro hair which is disappointing.
