

- Afro hair is hard to comb and sometimes rough.
- If you have Afro hair there are many stiles of it *like locs*
-

**Afro hair is hard to take care
of if you have low porosity
hair because it can't get
wet.**

**They're are a lot of stiles of Afro
hair and it is very important.**
**Like : Locks - Braids, People get
bullied for having Afro hair but
it is natural and a nice hair style**
