Help with the cost of living crisis

We are all aware that families may be finding it hard to make ends meet. Did you know that the school offers parents/carers a service to find out if they are eligible for free school meals? If you think you might be eligible, please see Mrs Henshaw in the school office.

We can also help with school uniform by offering clean 'pre-loved' items at a fraction of the cost of new. Again, contact the school office for more details.

You can also scan the QR code below (and around school) to get advice and support from Manchester City Council.

Amazing Attendance and Perfect Punctuality

Well done to all children continuing to make it in on time. Unfortunately, we are still noticing a high number of children turning up late. We know that it may happen on occasion, but it is a concern if it begins to happen regularly.

We are currently having about 30 pupils late each day. This is extremely disruptive and creates a lot of work for the office staff. We start at 8.50am.

Why is PUNCTUALITY so important?

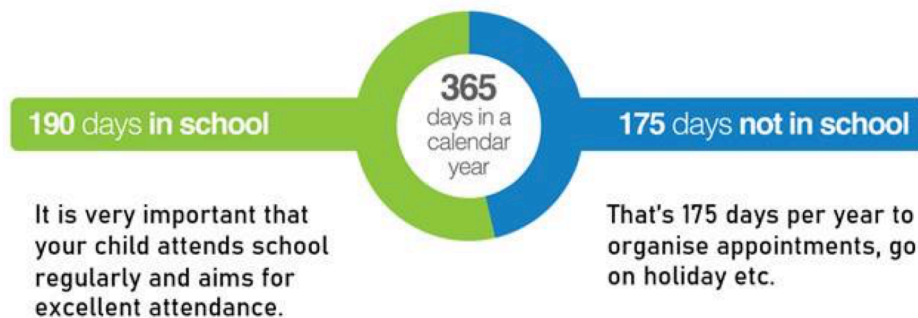

It gets your child's day off to a good start.

Sets positive patterns for the future.

Leads to good attendance and achievement.

Leads to an understanding that school and education is important.

Last week the whole school attendance was 94%. Our whole school attendance has risen to 94.1% this week. Our whole school attendance has stayed the same and is 94.1%, let's work together to meet our attendance goal of 96%. Remember, if a class gets 100% all week, each child in that class will receive a well-earned prize.

The winners of our attendance mascots are:-

RP, 1V, 4P

The winners of the punctuality mascots are:-

RV, 2V, 3P
